

BRAC Bank Limited, pioneer in SME Banking, delivers a full array of banking services to individuals as well as business entities. Our financial results along with the best credit rating and best financial report awards speak of our aspiration, transparency and teamwork towards common objectives of becoming the best bank of the country. While we thrive in present, we invest simultaneously for the future – upgraded core banking system in Finacle 10, first local bank to roll out Oracle ERP, process alignment with best practices and many more. However, this feat of providing a comprehensive range of solutions to its customers would not be possible without our diversified business model and unmatched network of 187 branches, 460 ATMs, 456 SME Unit Offices, 11 Regional Operations Offices, 145 Agent Banking Outlets, and 224 remittance delivery points.

To support its continuous business growth, BRAC Bank is currently looking for ambitious, smart, goal-oriented, enthusiastic individuals for the following position in Technology Division:
