..... Branch/Sub-Branch/AB Outlet/Unit

Dear Sir/Madam,

I/we, want to submit the following Claim Note(s) to get the exchange value through BRAC Bank which will be given/paid by Bangladesh Bank/its representative. I/we are fully aware of that concerned authority will thoroughly cross check my/our submitted claim notes and I/we shall grant the **Net Exchange Value** (deducting the courier/ postal/ transportation/ related cost from the primary exchanged value). I/we shall have **no objection on the net exchange value** whatever it will be and I/we know that exchange value can be very nominal and even zero as well as it may require sufficient time to collect the exchange value from BB/Sonali Bank/their local representative.
